## ABOUT OUR EQUIPMENT

Everything you need for every age to play hockey indoors and out!

Floor Hockey develops agility, hand-eye coordination, teamwork and fitness. Students love the floor hockey unit in PE and can play indoors or outdoors. Hockey is a life-long sport that can be played from age 5- 75. Get started on a lifetime of physical activity with quality equipment from Shield.

### INDOOR HOCKEY SETS

Maximize the use of your gym with specially designed Shield Indoor Hockey Sets and you'll offer your students a fun, safe and economical way to play indoors. Indoor blades are thinner for use on gym floors.

### OUTDOOR HOCKEY SETS

Shield Outdoor Hockey Sets offer a fun, safe and economical way to play hockey outdoors. All shafts are combined with our thick plastic-reinforced outdoor blades that are built to stand up to any outdoor surface.

### SHAFT MATERIALS

**PLASTIC** This durable material is lightweight, easy to care for and school district friendly.

**WOOD** The traditional material for hockey sticks, wood is strong and economical.

**ALUMINUM** This advanced material blends the best of both worlds. Lightweight, strong and will last for many years.

### LTG INDOOR AND OUTDOOR HOCKEY SETS

**LTG** LifeTime Guarantee

LTG stands for LifeTime Guarantee, and these are the strongest and most durable sticks in the world! Made in the USA, the LTG is a cost-effective, strong, and durable stick. The LTG will not crack, break, or splinter because of the tough plastic shaft which is reinforced by a fiberglass dowel. Shafts are guaranteed for life.

### HOW TO MEASURE STICKS

Place a stick against the wall and measure from the top of the stick to the heel of the blade.
